HIGHLAND AXE™ PREMIUM LAGER BEER

Satori Beverages International

QUALITY BEVERAGES FROM AROUND THE WORLD

Satori Beverages and Kyodo USA are pleased to present HIGHLAND AXE™ PREMIUM LAGER BEER. Highland Axe is slowly brewed by hand and meticulously cared for by our brewers. Crafted using the finest malted barley grown in the Midwest U.S. and the best hops from the Pacific Northwest, Highland Axe is a clean-tasting, thirst-quenching beer with a mild malty aroma. It has a slightly mellow flavor, pleasant aftertaste, and is lightly hopped to go down smooth.

Tasting Notes

Highland Axe beer pours a clear dark straw color. The head is one inch in height, and recedes slowly into a quarter inch cap of foam. The aroma is of toasty malt with some nice floral hop notes. It is quite aromatic for an all-malt lager. The taste is more floral than the aroma with a solid malt undertone. The mouth feel is right on for a medium-bodied beer. Overall, this is a very nice German Style American Lager that is easily enjoyed year around.
